

Dear customers,

To help you control order progress efficiently, William Tools creates a convenient order status-checking system to save your time.

From now on, you can log on below link to know order status immediately.

Please get on our website <http://www.williamtools.com/login.aspx> and follow below instruction to operate the system.

We hope you enjoy the efficiency.

If there is any problem, please contact us soon.

The image shows a screenshot of a web browser displaying the login page for William Tools. The browser's address bar shows the URL <http://www.williamtools.com/login.aspx>, which is highlighted with a red box and labeled '1.'. The website header includes the 'W TOOLS' logo and navigation links: ABOUT US, PRODUCTS, NEWS, TECH SUPPORT, FAQ, CONTACT. Below the header is a blue navigation bar with 'Home | Login'. The main content area features a blue login form titled 'Login to your account'. The form contains three input fields: 'User Name', 'Password', and 'Check code'. The 'Check code' field is pre-filled with 'U876'. There is a 'Stay Signed in' checkbox and a 'Login' button. Below the form is a link for 'Forget your Password?' with the text 'no worries, [click here](#) to reset your password.' To the right of the form, a red box contains instructions: '2. key in user name Cxxx', '3. key in password Cxxxxxx', and '4. key in check code'. Red lines connect these instructions to the respective input fields. The footer contains contact information for William Tools, including phone, fax, email, and postal address.
